

Applicant Plan to Complete Outstanding Admission Requirements

Please note, this document is a fillable form.

Outstanding Coursework:

Applicants must have completed 5 of the 8 courses prior to submitting their application. Please complete the following chart to indicate the current status of pre-requisites:

Course (Minimum of 3 credits each)	Term Completed	Institution & Course Name	Course Grade
Human Anatomy			
Human Physiology			
Microbiology			
Organic Chemistry			
Biochemistry			
Genetics			
Statistics			

Please outline your plan below to complete the remaining coursework requirements. Include the institution's name, whether you have enrolled, the dates of the course(s), and the total number of credits you will be taking that term (including other courses).

Outstanding Patient Care/Shadowing Experience Hours:

Applicants must also have completed 100 hours of patient care experience by the time of application, and may complete a narrative below outlining their plan to obtain the remaining required patient care or shadowing hours. Please include the type of employment, the employer's name, and the approximate timeline for completion.

Applicant's Electronic Signature:

Date:

Please submit your completed form via CASPA or email it to chris.tuey@usm.edu
