University of Southern Mississippi

Only complete applications will be reviewed by the admissions committee. Please ensure that all of the following materials are uploaded to the Graduate School application server.

Application. The official application must be submitted electronically. All applications must be accompanied by a non-refundable application fee, which can be paid online when the application is submitted, or mailed to the Office of Graduate Admissions (address below).

Official Transcripts. Please have transcripts sent to:

The University of Southern Mississippi Office of Graduate Admissions
118 College Drive #5024
Hattiesburg, MS 39406-0001

Please note that *all* transcripts from *all* colleges or universities you have attended are required, not just the most recent. Please also inform the Graduate School if you have changed your name since you attended college, as transcripts which arrive under a maiden or other name may not be filed correctly and may significantly delay processing of your application. You can contact the Graduate School at 601-266-5137. Please see this page for details on sending transcripts: <https://www.usm.edu/graduate-admissions/step-step-guide-applying-graduate-study.php>
