Stephen Ellis

HCD Ph.D. Alumni - 2017

Dr. Ellis is a scholar-practitioner serving as a Training Policy Administrator for the United States Air Force. He has over 30 years of experience as a technical training instructor, curriculum developer, training program evaluator, and training systems innovator. Dr. Ellis researches how to improve efficiency and effectiveness in occupational skills training. He recently collaborated with colleagues to create and field instructor development workshops explaining student-centered instruction. Dr. Ellis has published U.S. Air Force training policy, instructions, process guides, articles in performance improvement journals, and book chapters for student-centered instruction.
