

Travel Receipt Requirements

USM requires itemized receipts; therefore gasoline receipts are required to have the *number of gallons* and *price per gallon* printed in addition to the *total amount* of the fuel sale.

“Pre-Pay” Receipts are not acceptable. The receipt must have the *number of gallons* and *price per gallon* printed in addition to the *total amount* of the fuel sale. So if you pre-pay with cash, you will have to request and obtain the final receipt, showing the actual fuel sale, including the gallons purchased and price per gallon. As you will notice in the example below the actual fuel purchase was less than the prepaid amount.
