

Legal Studies Transfer Credit from Jones & Holmes Community Colleges

USM transfer students who previously completed **Paralegal Technology (LET)** coursework at either Jones County Junior College or Holmes Community College may apply a maximum of twelve (12) semester hours of that coursework toward the major requirements for a B.A. degree in **Legal Studies (Paralegal)** at The University of Southern Mississippi (per the Memoranda of Understanding executed between USM and JCJC in 2010 and between USM and Holmes CC in 2011).
